3. About this qualification

3.1 Purpose

The VTCT (ITEC) Level 2 Diploma in Hairdressing is a vocational qualification for learners aged 16 and over who wish to pursue a career in hairdressing.

This qualification is based on the national occupational standards in the United Kingdom for hairdressing and includes all the required elements to work effectively as a junior hairdresser/stylist. Learners must achieve all seven mandatory units, which include:

- Advise and consult with clients
- Shampoo, condition and treat the hair and scalp
- Cut ladies hair
- Style and finish hair
- Set and dress hair
- Colour and lighten hair
- Fulfil salon reception duties

This qualification offers a wider range of optional units of which one must be achieved, these include:

- Perm and neutralise hair
- Hair relaxing treatments and techniques
- Cut men's hair
- Plait and twist hair
- Temporarily attach hair to enhance a style

This qualification is most suitable for those learners who wish to become a junior stylist encompassing all of the technical skills required within a salon or for self-employment. It rewards learner's individual abilities both in practical and theory with a graded outcome of Fail/Pass/Merit/Distinction.

3.3 Progression

Learners who achieve this qualification are able to work as a junior hairdresser/stylist, learners could work in a variety of different sectors, which might include:

- Commercial salons
- Independent/self-employed/mobile/home-based settings
- Cruise liners
- Television, film, theatre and media
- Hospitals/care homes

Additionally learners may choose to develop their knowledge and skills further by undertaking a level 3 qualification.

4. Qualification structure

To be awarded the VTCT (ITEC) Level 2 Diploma in Hairdressing learners must achieve:

- all mandatory units
- a minimum of one optional unit
- the theory examinations
- the synoptic practical examination

The minimum TQT required to achieve this qualification is **675**.

7. Grading

7.1 Overview

This qualification is graded Pass/Merit/Distinction. This is only applicable to the mandatory units. Optional units are graded Pass/refer and must be achieved to be awarded the qualification, however they do not contribute to the overall grade.

There are two separate components in the grading model for this qualification, the graded external examinations and a graded external synoptic practical examination. Each component contributes 50% to the overall qualification grade.

Learners must achieve a Pass grade or higher in the external theory examinations and synoptic practical examination. The grades achieved in each assessment correlate to points. These points will then be added together to determine the overall grade of the qualification, as shown below:

8. External examiner

8.1 External examiner visits

This qualification is externally examined by the awarding organisation. Centres delivering this qualification will have a quality assurance visit each time an examiner visits the centre.

On a centre visit an examiner:

- examines all learners entered for the external practical examination
- samples learners' service portfolio
- verifies that appropriate staff and sufficient resources are in place, and that the centre is continuing to meet the criteria specified in the centre contract
- checks that the centre's policies and procedures continue to meet the awarding organisation's requirements

9. Support and guidance

In parallel to using this qualification specification the following resources are available to support qualification delivery and assessment:

- Unit specifications
- Learner logbooks
- Mock practical examination form
- Sample assessment materials
- Consultation sheets

For more information, visit the iTEC website (www.itecworld.co.uk).

10. Unit structure

Units are available as separate specifications and can be downloaded from the VTCT and iTEC websites. Units that make up this qualification are structured as follows:

Product code	The code allocated by the awarding organisation. This should be used when communicating directly with the awarding organisation.
Title	Reflects the content of the unit.
Unit reference number	This is the unit reference number as detailed on Ofqual's Register of Regulated Qualifications.
Level	This represents the level of achievement. The National Qualifications Framework level descriptors and similar qualifications at this level inform the allocation of the unit level.
Guided Learning (GL) hours	All units have GL assigned to them. This is the time a learner spends: <ul style="list-style-type: none">• being taught or given instruction by a lecturer, tutor, supervisor or other appropriate provider of education or training.
Overview	Provides a summary of what learners will cover in a unit, and outlines the knowledge, understanding and skills to be developed.
Learning outcomes	Specify what a learner will know, understand and be able to do as a result of completing a unit.
Unit content	Provides the basis for the teaching, learning and assessment of each learning outcome. Lecturers should ensure that the full breadth of unit content is delivered.
Unit requirements	Specifies the minimum standard required by the learner to achieve the relevant grade. Learners must provide sufficient and valid evidence to achieve the grade.
